

Take It or Leave It?

Grape Harvest Aid

University of Minnesota Extension
University of Minnesota Grape Breeding and Enology Program

How to use this harvest aid: Print out & laminate these pages. Show them to your pickers on harvest day. Display them in the vineyard for reference throughout the day.

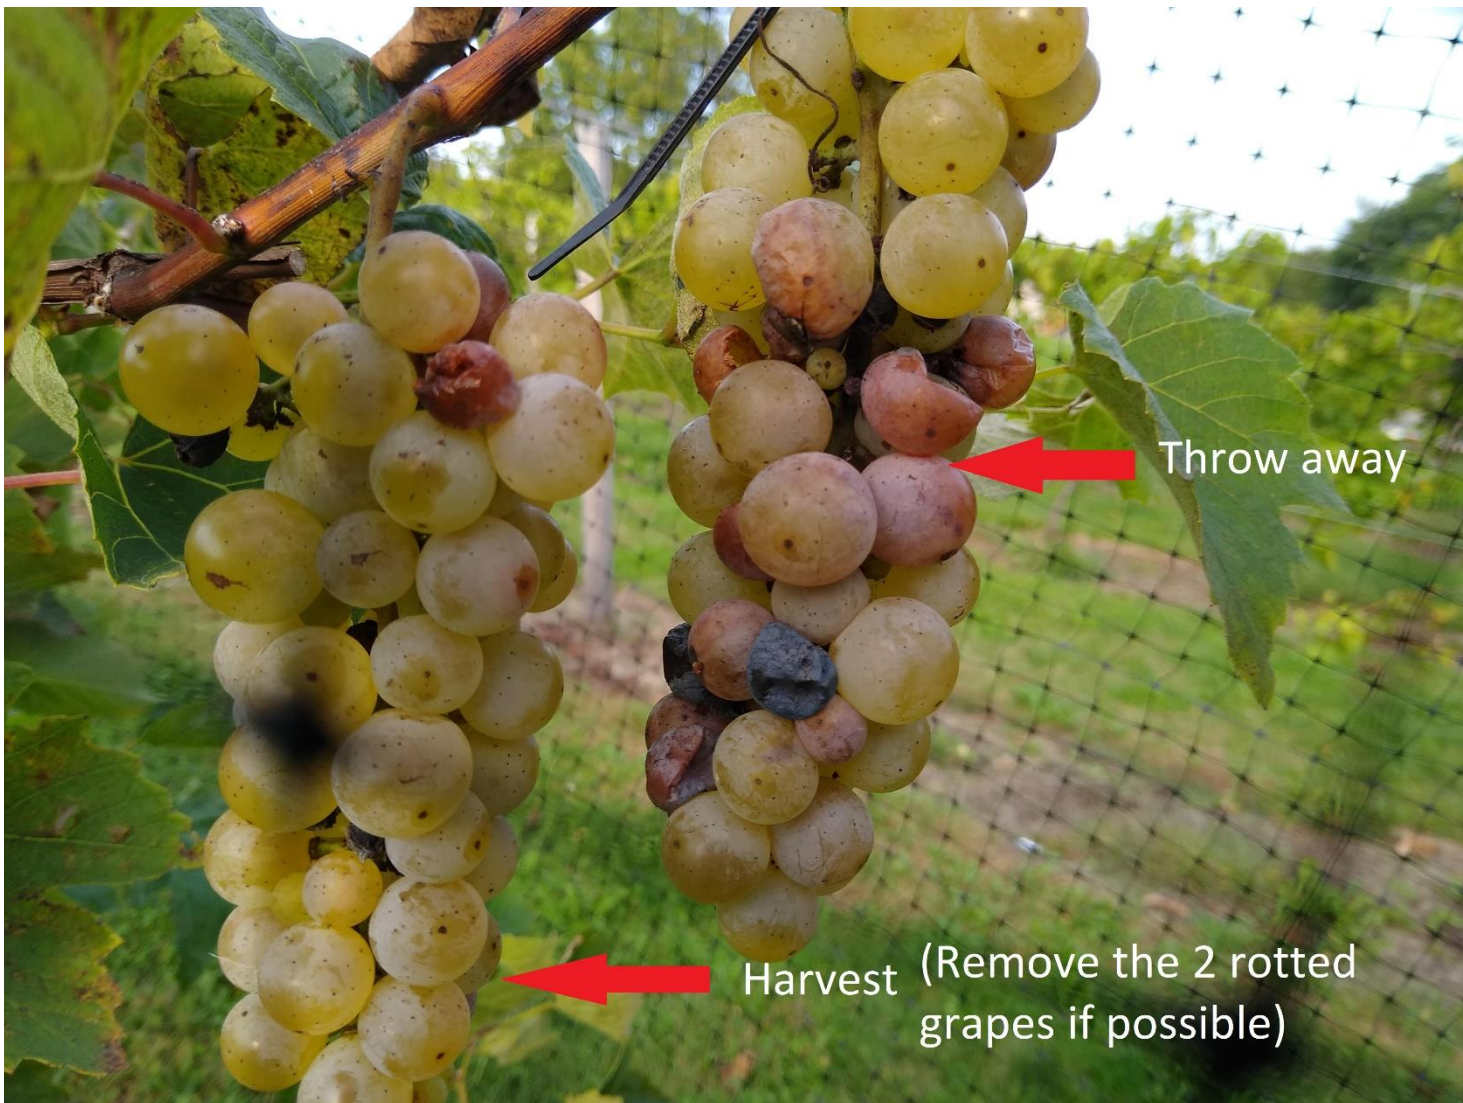

Take it

Leave it

Question It

Are more than 1 in 20
berries bad?

If so, leave it.

"When in doubt, throw it out"

Too many wrinkled berries

*“When in doubt,
throw it out”*

Too much gray mold “fuzz”
